A strong dedicated team

We are constantly improving our service, adding new features and providing 24/7 support

10 000 + customers globally

Thousands of businesses use our Live Chat system globally for their customer service needs

Who is it for?

We invite webmasters, marketing agencies, ecommerce platforms, influences and resellers become our partners and benefit from our generous affiliate commission. There are no obligations with us or minimal payout. You get by request whatever you have earned.

What do you get?

You can earn **30% recurring commission** for each active subscription created through your referral link. Your payouts do not stop with the first purchase, you continue getting commission from all renewals and upgrades of your referral. We send affiliate commission to PayPal by request.

How to join?

There is no special partner registration with us. You automatically become an affiliate after creating Provide Support account. You do not need to purchase a subscription package, you can use your free trial and later expired trial account for referrals tracking.

How to become

our affiliate partner

- ✔ Share your partner link with your customers or register accounts on their behalf. You will get your partner link after account registration.
- ✔ After your website visitors click your affiliate link, they get redirected to Provide Support website. All accounts they register will be listed in your referrals list. Affiliate cookie remains active for 1 year. Thus if your customer does not register an account right away and comes back to our website later, you will not lose your referral.
- ✔ Track your referrals in your account.
- ✔ Request affiliate commission payout through special form in your account or just contact us in chat.
